2nd Annual
Serve 2 Cure

Thank you to everyone involved in making this year's Serve2Cure fundraising tennis tournament even better than the first. We could not have made this happen without you and we want to acknowledge your efforts in making this such a huge success. So many local businesses and individuals contributed generous donations along with their caring support to help promote this worthy cause. We are very proud to announce everyone's collective effort helped to raise just over \$20,000! What an amazing success for our second annual fundraising tournament!

With the help of so many, proceeds will go to the Sacred Heart of the Emerald Coast Breast Cancer Restricted Fund. The money raised from this tournament will help the underserved Breast Cancer patients needing assistance at Sacred Heart.

The staff at Sandestin Tennis is proud to host this event along with the many volunteers to promote a great cause many of us have been effected with in one way or another. Our love for the game of tennis has brought us all together for a meaningful day on and off the court.

"We play for our Mothers, Daughters, Sisters, Aunts, Wives, and our best friends. We play for the people we know and for the people we don't."

*Our Many Thanks,
The Sandestin Tennis Staff*
